**5. Update from Summer Board Meeting – Mikala Shremshock – MUAA Board President**

Mikala reported about the meeting that was held virtually in July. Next Board meeting – still pending final plans. Chapter presidents are honorary board members and are welcome to serve on any committees. Contact Matt, Kasey or Larry if interested.

**6. Other Activities – Matt Hayes and Kasey Stevens**

Recommendation from the Alumni Association is for all chapters to meet virtually and not attempt to meet in person. No tailgating at the home games or any football games. Homecoming is 100% virtual. Let Matt and team know if any in-person events are planned as there is a form that must be filled out. Link to form to fill out for any planned events:

<https://www.heralulum.com/event-request-form-2020> Be aware of guidelines in your area and please follow those guidelines. Let Matt and Kasey know if there is any way they can help.

**7. Open Discussion**

Thank you from Jessica Wintz-Adams to all the chapter presidents in attendance.

Matt wants to do the best we can to give Marshall Alumni a great virtual homecoming. Barbara suggested we look at it as an opportunity for chapters to get involved virtually and help out where they can.

Next Meeting – December 1, 2020.

Respectfully submitted,

Janie McDaniel, MUAA Board Secretary
